Who We Are

Formed in 1880, the club is amongst the oldest in the country and has for many years played its rugby at the picturesque Mote Cricket Ground, adjacent to Mote Park and the Mote Leisure Centre. The club is RFU Accredited and possesses the club mark.

One of the first clubs to enter the league structure, Maidstone has competed against the likes of Harlequins, London Irish and Saracens. Over the years, we have won many Kent Cups, Divisional titles, as well as the 2015 triumph in the Intermediate Cup final hosted at Twickenham.

Ex-players include former EastEnders star Ross Kemp, England Sevens International Dan Caprice, as well as David Flatman and Piers Francis.

As well as running regular senior sides including a Veterans XV, we also have a thriving and all-inclusive Youth Section. For players aged 15 and up with higher aspirations, the club has its Academy system, as well as ties to Kent Development & Saracens.

Sponsorship

The club has worked in the community and sports for the Injured Players Foundation, getting youngsters involved in sport and raises money for charities. The club aims to continue these activities and would welcome any sponsor that has a project or wishes to get involved in some capacity.

Our Sponsorship team is happy to discuss any package and tailor something bespoke for your business and budget. Whether you are a family run outfit or a large international company, the club has something to offer for everyone.
